

THE GARDEN OF EDEN

Throughout the Bible and other readings, we hear of amazing tales from the Garden of Eden. It is believed to have been a beautiful place, full of animals and plants.

Adam and Eve were the first people God created. They lived together in the Garden of Eden and were very happy.

In this story, the Garden of Eden is seen as a beautiful place full of happiness and hope.

We would all like to live somewhere like that, where we can be happy.

God told Adam & Eve to do whatever they pleased in the Garden of Eden but they were not allowed touch the fruit on the tree in the middle of the Garden.

This fruit would give them knowledge of all that is good and evil if they were to eat it.

THE GARDEN OF EDEN

One day, a snake came to Eve and tried to make her eat the fruit. Eve told him that God had told them not to touch the tree.

However, the snake did not care. He continued to talk about how nice the tree was and how he thought Adam and Eve should just go and eat from the tree. Eventually Eve gave in and went to the tree. Adam followed.

This story reminds us of the power God has. He only wants us to be happy. The Garden of Eden is wonderful place where we would all like to be.

On our competition page, you will see a Leaf from the Garden of Eden colour them in whatever way you like and you might win an amazing prize!

They ate the fruit of the tree and suddenly they did not feel so well.

They began to fear God, knowing he would not be happy.

They ran and hid in a bush. But, of course, God knew where they were hiding. He came to them and told them they had to leave the Garden of Eden. Adam and Eve were very sad.
